

# JUST THE **FACTS**

## **BHE U.S. TRANSMISSION**

### RELIABLE TRANSMISSION SOLUTIONS

- BHE U.S. Transmission provides cost-effective, reliable transmission solutions for wholesale customers.
- BHE U.S. Transmission, along with subsidiaries of American Electric Power Company, indirectly owns a 50 percent interest in Electric Transmission Texas, which owns and operates electric transmission assets in the Electric Reliability Council of Texas.
- BHE U.S. Transmission indirectly owns a 25 percent interest in the Prairie Wind Transmission project in Kansas.
- BHE U.S. Transmission owns a 20 per cent interest in Grid Assurance LLC, an industry-led solution to mitigate and respond to emerging risks facing the transmission system.
- BHE U.S. Transmission owns the U.S. portion of the Montana Alberta Tie Line, a 214-mile cross-border transmission intertie between Montana and Alberta, Canada.

### OPERATIONAL EXCELLENCE

- In 2014, BHE U.S. Transmission formed TransCanyon LLC, a joint venture with Bright Canyon Energy, a subsidiary of Pinnacle West Capital Corporation. TransCanyon’s purpose is to pursue electric transmission projects located in the Western Electricity Coordinating Council.
- MPT Heartland, LLC and Midwest Power Midcontinent Transmission, LLC, were formed in 2015 in order to pursue electric transmission projects located in the Southwest Power Pool and Midcontinent ISO, respectively.
